Thames Valley Junior Orienteering League

Results from Brill Common – Saturday 21st November 2026

The Junior League points awarded to each participant are calculated against the clock, not their position relative to other juniors. For each age class on each course, there is a target time per km (straight line distance); and then each participant receives league points based on their individual time to correctly complete the course. Therefore, they would receive 100 league points for achieving the target time, and earn 1 point more per 3% quicker than the target time, or 1 point fewer per 3% slower than the target time.

Each Saturday Series area/location is classified on a scale of 1 to 5 for the complexity of the area (based on terrain, path network etc) – 5 being the most complex – and then the relevant 'complexity coefficient' will be included in the target time calculation, so as not to disadvantage the points available from more difficult areas.
Brill Common is classified as having complexity level 4.

The junior participants listed below successfully completed the course with a valid finish time.
