

## TVOC Saturday Event at Coombe Hill South on October 1<sup>st</sup> 2022

**Parking:** open from 930am at Buckmoorend Farm and Shop. Post Code: HP17 0UT  
OS Grid Ref: SP 847 048. The farm is located 1km SSE of Chequers and 2.2km South of  
Butler's Cross. See Google Earth map attached.

**Recommended** approach is from Butler's Cross which is 0.7km East of Ellesborough which  
is 2.6km WSW of Wendover. The approach from the South -on Missenden Road - has a  
blind corner when turning right into the minor road leading to the farm and is best avoided.  
Beware orienteers walking to the start on this minor road.

The farm shop, mobile café and outdoor seating will be open to you from 10am.  
Please respect the privacy and peace of other café users and neighbours.

You can shop on line for provisions for collection from the farm shop at  
<https://buckmoorendfarm.co.uk/shop-kitchen>

Entries open on **Wednesday 17<sup>th</sup> August 2022** on the Fabian website at  
<https://www.fabian4.co.uk>

It helps the organiser if you can offer to help and book by 21 September when we have to  
decide map quantities for our printer and reduce waste. All entries from 22nd September  
to 29<sup>th</sup> September are subject to a late booking fee of £1 per person.

Book early, as parking is limited to 70 cars. Your vehicle registration number must be  
included on the Fabian booking form. On arrival you will be directed by a TVOC marshal  
to a specific parking area around the farm buildings which have been agreed with the owner.  
Please do not park without an instruction from a TVOC car park marshal.

Competitors with children under 16 will be allocated up to about 20 reserved parking  
spaces in a small field adjacent to the farm shop. To avoid a queue these drivers should  
affix an A5 sized paper sheet with a visible 1-inch-thick capital 'C' at least 6 inches high  
taped to the inside top of your nearside windscreen to assist the parking officials in  
directing you to the reserved area. You must not enter any farm buildings nor disturb any  
farm equipment. The fenced field next to the reserved family parking and seated area may  
have animals which should not be fed or disturbed. Please take all rubbish home with you.

An alternative parking area for all may be allocated in a level field corner West of the Farm  
Shop but only if weather has been sufficiently dry before the event for us to safely use the  
access ramp down to the field on entry and back up again on exit.

SIAC dibbers and maps are to be collected from 945am from the TVOC Registration tent  
which will be next to a barn behind the cafe.

At least one hired toilet will be placed near the Club Registration tent. The owner's staff  
portaloo behind the farm shop is out of bounds to orienteers for this event.

The A4 map is at 1:7500 scale with symbols at ISOM 2019 x 200% and has been updated in  
the past few months. Courses generally avoid high summer undergrowth.

Starts will be from 1015am to 1145am. On leaving the car park, check for traffic, cross the  
minor road, turn left and keep to the righthand edge for 100m towards Missenden Road.  
Following the START signs, turn right eastwards up the track for about 300m. Please give  
other woodland users such as horse riders, cyclists and walkers a wide berth.  
Children should be accompanied to the Start.

From the Finish continue on the path straight downhill past the Start and retrace your way  
back to the parking. Beware of traffic on the minor road. After you finish you must check in  
at the Download tent where you return the hired SI-AC punch and receive your results slip.

**All competitors must return to the Download tent by 1pm, whether finished or not.**

**COOMBE HILL SOUTH SATURDAY 1<sup>st</sup> October 2022**

The following courses are on offer in this undulating woodland area: -

TD = technical difficulty. Lengths and climb are provisional and will be updated.

Course	Length	Climb	Notes
<i>Yellow: TD2</i>	<i>2.1km</i>	<i>60m climb.</i>	<i>Easy course on obvious line features. 350m maximum distance between controls</i>
<i>Orange: TD3</i>	<i>2.9km</i>	<i>80m climb.</i>	<i>Routes along line features or prominent point or contour features. Collecting features behind all controls.</i>
<i>Light Green: TD4</i>	<i>3.3km</i>	<i>90m climb.</i>	<i>Controls are off paths but close to large or linear features.</i>
<i>Green: TD5</i>	<i>4.5km</i>	<i>100m climb.</i>	<i>For experienced orienteers. Significant route choices. As technical as the land permits.</i>

**MAP**

*The A4 map is at 1:7500 scale. Symbols are ISOM 2019 x 200%.*

*Please familiarise yourself with all the map symbols before you start. There are non-IOF green symbols for large fallen trees which fell in the storm last Spring. These symbols are aligned to the direction of fall with the root end shown as a solid green oval. Most trees which fell across paths have been cleared or there is adequate space to avoid them. In woodland you will need to deviate around them and the mapped root end is a help to navigation.*

<b><u>Entry fees:</u> Juniors under 21 and Students</b>	<b>£2</b>
Helpers (TVOC)	£2
Non BOF Juniors under 21 and Students	£3
Seniors with BOF membership	£5
Non-BOF Seniors	£7
Family groups	£7 per group

Late entries supplement 22<sup>nd</sup> to 29<sup>th</sup> September: £1 per person

SI-AC contactless dibber hire £1 each (**£50 charge for lost dibbers**)??

Entry costs include car parking, toilet hire, maps and BOF levies etc.

Course Planner: Roger Cliffe

Organiser: Andrew Chalmers email: [chalmersa261@gmail.com](mailto:chalmersa261@gmail.com)
