

# Thames Valley Junior Orienteering League

## 2024 League standings after 6 events

The Junior League points awarded to each participant are calculated against the clock, not their position relative to other juniors. For each age class on each course, there is a target time per km (straight line distance); and then each participant receives league points based on their individual time to correctly complete the course. Therefore, they would receive 100 league points for achieving the target time, and earn 1 point more per 3% quicker than the target time, or 1 point fewer per 3% slower than the target time.

The Junior League runs for a calendar year, so that juniors keep the same age class throughout. For 2024 this means: M/W10 (born in 2014 or after), M/W12 (born in 2012 or 2013), M/W14 (born in 2010 or 2011), M/W16 (born in 2008 or 2009) and M/W18 (born in 2006 or 2007).

A participant's best points scores from half of all the annual events (rounded up if there are an odd number of events) will count towards their overall Junior League standing. Male and Female juniors with the highest overall standing in each age class will be the winners at the end of the year.
